

BLUES IN THE NEWS

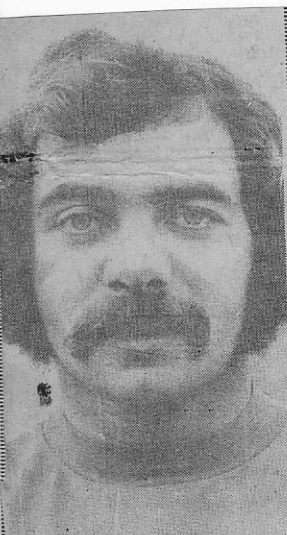

SEVERAL former Wycombe Wanderers were in the news over the weekend. Two players were featured on television — Viv Busby and Alan Gane.

Viv had the honour of appearing on London Weekend's Big Match programme as the scorer of one of the 12 best goals of the season. The action showed him scoring for Fulham against Bristol City. The 12 will be whittled down to a final six "Golden goals" of the season next week.

On Saturday evening, Wycombe fans saw a fleeting glimpse of former Blues midfield man Alan Gane. Alan left Wycombe to sign for Brentford at the end of last term but soon switched to Third Division side Hereford United.

He came on in the last quarter against promotion chasing York City, replacing former Slough and Arsenal player John Ritchie. Also in the Hereford front line was Wille Brown, who has played at Loakes Park this term for Newport County.

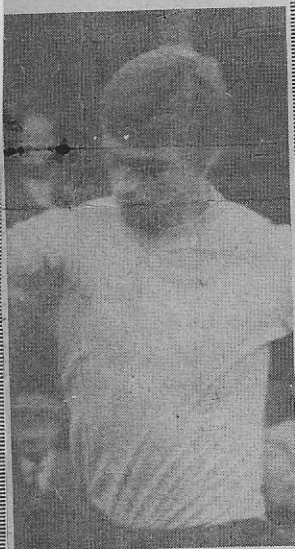

Meanwhile in the First Division, Kenny Swain was playing his second full game in the Chelsea senior team, alongside the former Slough centre half Mick Droy.
